Labor Day Weekend • geaugafair.com

Udderly Amazing!

FAIR ENTRY DEADLINE: WEDNESDAY, AUGUST 9, 2023

FOREWORD

The Directors of The Great Geauga County Fair wish to thank all who came to celebrate the 200th edition of the fair. As people from around the world reunited to celebrate this historic event as the oldest Ohio Fair and the second oldest continuous fair in the nation. United and together you set the standard for celebrations to mark the excellence our industry has to offer. The added 6th day to the event allowed for a celebration to stand the test of time. Despite two days of rain, nothing could dampen the spirits of the 223,970 in attendance. As we close the chapter of the first 200 years, we thank all who came before us to lay the groundwork of successes that we celebrate and rejoice in.

As we begin the next chapter of this extraordinary fair, we continue to focus on the rich agricultural history of Geauga County, support the fantastic Junior Fair youth and provide an entertainment-packed event all can enjoy. Please accept our sincere appreciation for your support as we move forward with the next 200 years.

Don't miss this opportunity to showcase your talents at the Fair. This year's entry deadline is Wednesday, August 9, 2023. Let your creativity shine!

Respectfully,
Paul Harris, Secretary

**SEE YOU
AT THE FAIR**

Changes Since 1823

During the 1800s and 1900s, the dates for the Geauga County Fair were expanded and moved up to be held earlier in the season in an effort to showcase the year's harvest, yet avoid Ohio's sometimes unpredictable late fall weather. Today, The Great Geauga County Fair is now held annually each Labor Day weekend, Thursday through Monday, and is the "grand finale" highlight to Geauga County's summer fun events. The "Great" in the Fair's name and seal was officially added in this century to signify the Fair's seniority standing as the "Great Granddaddy" of Ohio's county fairs!

The early Fairs were alternately held between Burton and Chardon, with at least one Fair held in Painesville, prior to the formation of Lake County, which separated from Geauga County in 1840. After that time, and since the mid-1800s, the Great Geauga County Fair has been held continuously in Burton once the County Fairgrounds was permanently established there.

History of the Great Geauga County Fair

The Great Geauga County Fair is Ohio's oldest continuous county fair and one of the oldest existing agricultural fairs in the nation.

First Agricultural Society Takes Root in Geauga
In 1823, James Monroe, our 5th President, was proclaiming the Monroe Doctrine, the United States was still a young nation, the State of Ohio was only twenty years old, much of Ohio's Western Reserve was yet a rugged wilderness and the invention of modern conveniences, like the telephone, television, automobile and Internet, were decades away.

Yet, in Geauga County in February 1823, a hardy group of pioneers, some of whom were among the first settlers to Ohio's Western Reserve region at the turn of the century, had the vision to band together to form one of the state's earliest agricultural societies— The Geauga County Agricultural and Manufacturing Society. The Society, one of the nation's oldest such organizations still in existence, was designed to "promote Agriculture & Domestic Manufactures.

Members of the Society then set out to formally organize the annual county-wide fair that would showcase the development of agricultural products, plus the newest farm labor-saving devices, and also would celebrate and preserve the nation's economic independence, bountiful harvests, common New England heritage and ideals. In the spirit of hard work, perseverance, fellowship, American Yankee ingenuity and good old- fashioned fun they prevailed and thereby began a tradition that endures to the present.

Frequently Asked Questions

What is the difference in the passes?

Our exhibitor tickets allow any individual (over 12 yrs old) to enter items in the fair as well as enjoy gate admission for themselves and/or family and friends. Ticket and passes can also be used as identification when dropping off and collecting items from the departments they entered. Exhibitor tickets must be purchased with entries by fair entry deadline.

- \$30 Exhibitor Ticket: 5 gate admission punch card
- \$18 Exhibitor Ticket: 3 gate admission punch card (non-animal entries only)
- \$45 Membership Pass: 5 gate admissions and entitles the person to vote and hold office in the Agricultural Society. Must be 21 years old and a resident of Geauga County.

Do I have to buy an Exhibitor Ticket or Membership?

Yes. All exhibitors (13 and older) must purchase either an exhibitor ticket or membership (if applicable). Animal exhibitors must purchase a \$30 exhibitor ticket or membership. All non-animal exhibitors can choose between a \$18 or \$30 exhibitor ticket or the membership.

Do Juniors (12 and under) need to buy an Exhibitors ticket?

No. Any child 12 and under may enter the junior classes – check the Junior Class on the entry form. If a child wishes to enter a non-junior class then they must purchase an exhibitor's ticket.

As a Junior Fair participant, can I enter my animal project into Open Show?

Yes. Junior Fair exhibitors are not required to purchase an exhibitor's ticket for their project animals, but must pay the animal entry fee.

As a Junior Fair participant, can I enter an animal that isn't a Junior Fair project?

Yes, as long as you buy a \$30 exhibitor pass and pay the entry fees. This includes all cloverbuds and associate members.

Do I have to pay an entry fee for non-animal entries?

No, you only have to purchase one of the three choices of tickets or pass above.

When do I drop off my entries?

Drop off times vary and are listed at the beginning of each department. Before taking an exhibit to a building, pick up the tags for your entries in the Secretary's Office. These tags may be picked up the week before the fair or the day of your entry.

Why do I have to supply my SSN?

Only those entering that believe they will exceed \$600 in premiums. We must issue you a 1099 tax form and report to the IRS.

The safety concern will be decided between the Adult Coordinator in charge of Showmanship Sweepstakes, the exhibitor, and the Junior Fair Superintendents from the Department whose animal is in question.

5. Each judge will rate the participants on a scale of one to ten, with ten being the best. The member with the highest score will be the winner. Each judge will give each score to the scorekeeper accompanying that contestant who will then tally each contestant's points as they progress to each station.

JUNIOR FAIR GROUPS

4-H

4-H is for youth between the ages of 8 and 19 as of January 1 of the current year. Every 4-H club has its own officers, programs, and projects. Volunteers assist and guide the club as advisors. The 4-H program is managed by Ohio State University Extension Educators.

Each 4-H member works on a project of their own selection. There are over 200 different opportunities in areas such as clothing, foods, livestock, pets, bicycles, woodworking, creative arts, conservation, and leadership development.

The expectations for 4-H membership are a balance between 4-H project work, involvement in the 4-H club, participation in 4-H activities and events, and working towards improving one's personal growth.

To be eligible to attend and show at Junior Fair, 4-H requires that all exhibitors complete project judging prior to Fair.

GEAUGA COUNTY GRANGE YOUTH

Goals for the youth are: active Junior Grange committee in every subordinate grange, increase in junior organizations, and members, good ritualistic work at all meetings, proper flag presentation and respect for God and country, well balanced programs, regular attendance and orderly conduct at all Grange meetings and activities. There are many opportunities for the Grange Youth to develop personal and community growth. Use of the State Grange Camp at Friendly Hills is encouraged.

GHPA

Geauga Horse and Pony Association was started 32 years ago as a family orientated organization with a goal to provide youth to 19 with an opportunity to be involved with equine of all breeds. By providing educational programs, horse shows, trail riding experience, obstacle challenges and community service youth members gain self confidence, leadership skills, equine knowledge, responsibility and good sportsmanship.

BOYS SCOUTS AND GIRL SCOUTS

The purpose of the scouting program is personal growth, character development and citizenship training for youth 5-17 years of age through participation in democratic process: leadership responsibility in troop program, wider events, community action projects; education in human relations, volunteering, conserving the natural environment, mental and physical health, family relationships, the arts and career exploration.

FFA

This organization is composed of students enrolled in an Agricultural Education class in preparation for careers in agriculture. FFA provides motivation, enthusiasm, activity, competition, and fun to the total program. FFA is an active organization that includes chapter meetings, group activities, judging/skill contests, and community service activities.

FARM BUREAU

The objective of Farm Bureau Youth is to instill in the youth a knowledge and appreciation of Farm Bureau and develop social and leadership skills which make them better citizens. It is a means of developing future leadership for the Farm Bureau while providing wholesome fun for the youth.

Emphasis is on group accomplishments and activities rather than individual accomplishment. The young people choose their own members, elect their own officers, and carry out their own programs.
