## TO GREAT GEAUGA COUNTY FAIR CAMPERS

**2024 Season**

Thank you for joining us in celebrating our 202<sup>nd</sup> fair! We look forward to having you camp with us again this year. Great news! You can now register for campgrounds online, making the process even more convenient. Don't worry – you can still use the paper application!

For online applications, visit the website below or scan the QR Code, select the campsite permit option, click Buy Now then you will be taken to the campground application page. Please make sure you have your site number (can be found on the application included with the letter) and your insurance for digital upload. Once you have submitted the form, the last step is to provide payment information. All applications are reviewed. Only one site may be purchased at this time.

### CAMPGROUND SETUP, ADMISSION & PARKING:

- Campground permit, exhibitor ticket, and car pass must be picked up in the fair office.
- If membership is purchased with your campground, you must show proof when picking up.
- Campground rules and regulations – please review insert.

### Proof of Liability Insurance:

Proof of liability insurance usually can be found on the Declaration Page of your Homeowner's Insurance Policy. This proof must have the name of the campground applicant, address, current policy dates, and stated personal liability amount. Check expiration date – if your insurance expires before the fair starts then we need a new copy in the fair office. No campground applications will be processed without proper proof of insurance.

### IMPORTANT DATES FOR 2024:

- Wednesday, June 12 – Campground application deadline.
- Wednesday, June 26 – Open to new reservations and returning campers can switch sites.
- Saturday, August 17 – Setup can begin for campers.

**Campground renewal applications must be postmarked,
