Melanie May To Perform At the Great Geauga County Fair

Entertainment abounds at the Great Geauga County Fair. Just about any type of music is represented. Many of the acts are still in school, but their performances tell you that they are seasoned performers and amazing entertainers.

Melanie May Schwendeman, Parkman, is one of the shining lights ready to sing her heart out at the fair. Melanie, a tenth grader at Cardinal High School, Middlefield, has a long performing resume under her belt. Just this year alone she has wowed crowds at the Geauga County Maple Festival in Chardon, was a finalist in Garrettsville Idol competition and entertained at Middlefield Community Days. She also appears at Coffee Corners in Middlefield. She has also sung the national anthem at Lake Erie Captains baseball games and Youngstown Scrappers games.

“I can relate to almost any county song,” said Melanie. “The artists just have a way of getting to me.” What motivates Melanie to sing? “To me, singing is a natural, inborn gift. I can’t imagine my life without music and my god-given talent to sing.”

County music ranges from slow, sad songs to quick, up tempo tunes and Melanie can perform them all and get the crowd involved. She has captured that exact mix of performer and entertainer.

Mark your fair schedule to see Melanie perform Friday at 4:30 on the Junior Fair Stage, Saturday at noon in the main grandstand and Sunday at noon on the Junior Fair Stage. For complete entertainment schedule go to www.geaugafair.com.
